

Smoke Rise Elementary Foundation Board Meeting Minutes
March 15th

Attendance: Lisa Khemani, Jessica Crocker, Karen Weitzel, Darcey Devine, Tina-Ann Thompson

Meeting called to order at 7pm.

Discussion and follow up to Casino Night. It seemed all the guests had a great time. We are still sorting out costs, making sure all the auction items are paid for. Karen has agreed to follow up with who won what item and how many guests attended. Auction was great , items donated had increased over 1st Casino Night. Need to keep the momentum going.

Follow up on the desire to replace the play ground equipment. It will cost a great deal of upfront money but it really is our primary goal. Is there any way to get it done faster? We need to create a playground committee. It should be a combo of teachers, parents and children. Who should we approach?

Preplanning for Low Country Boil. What dates are available? Jessica will check with the Mountain Creek pool about doing it there again. Would like to do August since Fall is NASR and then HISR plus all the other fall stuff that goes on once the school starts up.

Lisa suggested that we continue to actively recruit additional Foundation members and volunteers. We can not do this alone and need more people to help run the events. HISR is a giant endeavor that needs 30+ just on that.

Treasurers report- money coming in from Casino Night : prepaid tickets, tickets at the door and paid for auction items. Outgoing expenses were to the club, the casino company and babysitting.

After School- seems to be running well, ADP is handling payroll, staff purchases supplies and snacks with the card.

Meeting closed at 8:15pm
